watch Disability Services

Chisholm

# WATCH ME LEARN

A unique partnership. A new pathway.

## Who We Are?

Watch Disability Services Inc. is a for-purpose, NDIS-registered community organisation supporting adults with an intellectual disability.

We ndis Registered NDIS Provider

## What Makes This Program Unique?

In partnership with Chisholm, who provides the accredited certificate-level training, Watch extends opportunities beyond the classroom through practical experience and personalised disability support. Drawing on specialist disability expertise, Watch staff provide assistance with communication, prompting, behavioural support, personal care, emotional regulation, and participation in the learning environment, empowering participants to engage confidently, access training safely, and achieve success in their TAFE studies.

## This Unique Partnership Offers Participants a 3-year Learning Journey

YEAR 1

**Certificate I in Transition Education**

Build life skills, confidence and independence for further study, employment and independent living.

YEAR 2

**Certificate I in Work Education**

Build workplace skills and prepare for employment through work placements and vocational opportunities.

YEAR 3

**Certificate II in Work Education**

Build work readiness and practical employment skills to prepare students to join the workforce and gain employment.

**OUTCOMES**

- Employment
- Further Study
- Volunteering

## What the Watch + Chisholm Pathway Includes:

- Fully supported educational pathway
- Recognised certificate-level qualifications
- Quality training through a reputable education provider
- Clear progression opportunities and practical learning experiences

## Chisholm's Accredited Certificate-Level Course Delivery

| YEAR 1 | YEAR 2 | YEAR 3 |

## Watch Support Beyond the Classroom

Alongside Chisholm's course delivery, Watch provides disability-related support within the classroom, as well as additional development opportunities, creating a 32-hour-per-week program for participants.

### Course Support

Guided discussions and activities to reinforce course learning.

### Life Skills & Travel Training

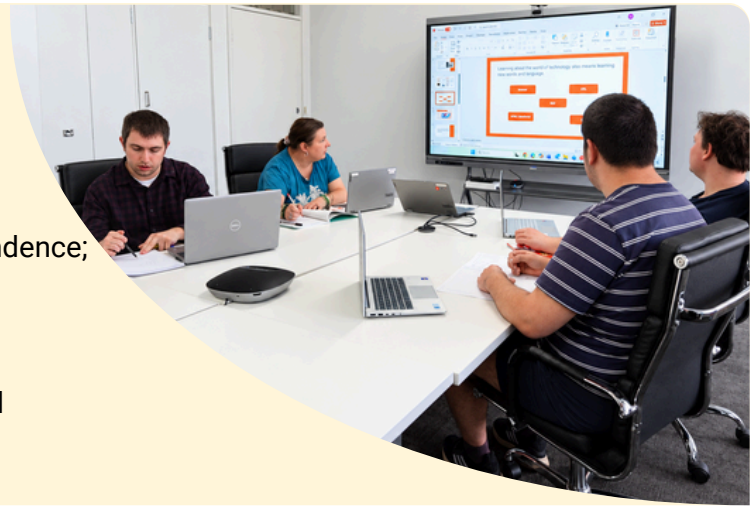

Practical learning that develops confidence, communication, social connections, and independence through meaningful community-based experiences.

### Vocational Exploration

Explore industry pathways such as manufacturing, food processing, hospitality, retail, horticulture and administration.

## Who Is This Pathway For?

- Adults aged 18 years and over;
- People with an intellectual disability;
- Participants looking to build greater independence;
- Learners interested in further education, employment and volunteering;
- Participants wanting to engage in supported group-based learning.
